RE: HMA 2024 FEES NOTE

Parents are advised that the 2024 fee increase represents a partial correction of the fee base since 2020. The average increase across all grades since 2020 was 2.58 % with all real increases estimated at 8 - 9% having been absorbed by the school year on year.

We are cognisant of the significant cost of living increases faced by all but are equally mindful that in order to provide and maintain the high-quality resources and infrastructure as HMA does, requires a commensurate annual increase in fees. We remain prudent in our spending and ensuring that fees are utilised appropriately in delivering the best care and education to your child.
